

Florida Association of
Professional Lobbyists

**FAPL Board of Directors
First-Time Nominee Questionnaire
Corinne Mixon, DPL**

1. Why would you like to serve on FAPL's Board of Directors? Do you have a specific area of the association in which you would like to be involved (Conference planning, membership, sponsorship, education, etc.)?
I would like to serve on FAPL's Board of Directors because I understand the importance of participating in trade associations. I respect the mission and efforts of FAPL to help lobbyists hone our skills, hold ourselves to high ethical standards, maintain credibility for the profession, and create a professional network. Holding a leadership role would provide me the opportunity to give back to the association and help to sustain progress and expand offerings. I would be happy to assist as needed, but would prefer conference planning and/or membership.

As a board member, I would strive to be an encourager and worker bee.

Florida Academy of Physician Assistants, At Large. Prints, Inc., Vice President
